Giant Puppet Parade

Coming to the backalleys of Keyham Thur 10 June 6-7pm

Ahoy there mateys! Barbican Theatre's ocean themed giant puppet parade is coming to Keyham!

So keep a lookout for our Big Friendly Fisherman (our new BFF!) He'll also be joined by his Funky Prawns (made and pupeteered by the Keyham community), Above Bounds' groovy FishGoDisco Fish and our ReBels Giant Jellyfish to really get the party started. We'll also have our ReBels Junk Band in the parade so feel free to join in and bang on your own pots and pans (from the safety of your property) as we pass by!

Please colour, decorate & cut me out!

Then when the Giant Fisherman puppet passes your home you can help him catch his supper by throwing me into his net!

After the parade the Barbican team will choose their 3 favourite designs & the winners will each receive a year's membership of our ReBels Talent Development theatre, dance, music & creativity classes for ages 12 - 15 and 15 - 25! (please include your details on the fish so we can contact you if you've won!)

your fish!**
